## OF INTEREST TO ALL VOTERS OF NYE COUNTY

PLATFORM ADOPTED BY REPUB-  
LICANS SHOULD BE READ  
BY ALL VOTERS

The platform of the republican candidates of Nye county as drafted several weeks ago, should be carefully read by all voters of this county. It contains a lot of thought, especially that part pledging the relative candidates to labor for certain measures. For the benefit of those who have not read the platform it is reproduced herewith in full:

The republican candidates of Nye county assembled in convention, pursuant to the provisions of the primary law, offer no program that is not bulwarked with performances; makes no promises but what are for the interest of the tax payers and property owners of this county.

The past four years of republican rule in this nation has been such that we again give our hearty endorsement to the platform and candidates presented by the national republican convention. Never has the country been confronted with such problems and situations as have arisen during the last four years, and never have such problems been handled with such skill and courage. President Taft has demonstrated his fitness for the office he now holds, and for which he is a candidate for reelection, and though assailed by agitators and derided by theorists, the condition of the United States today is a tribute to his performance of every duty demanded.

The state republican platform and candidates likewise receive our unanimous endorsement.

We pledge our legislative candidates to the enactment of a measure reducing the expense of the state government to conform with the revenues of the state and prevent the further issuance of bonds to meet the deficit in the general fund.

**The State Bank Receivership**

We pledge our legislative candidates to secure an investigation into the affairs of the long defunct State Bank and Trust company. There are hundreds of people in Nye county who lost their savings in this institution and who are not able to secure a proper report showing the

Republican national, state, county and township officers who are deserving of the support of the Nye county voters.

## Next Time You Take A Straw Vote, Bring It Back

quests have met with silence on the assets of the bank. Repeated report of the receiver in charge and we pledge our legislative candidates to work for the passage of a resolution through both houses of the legislature, securing the appointment of a committee to conduct a public investigation of the affairs of the bank.

### Good Roads

We pledge our county and legislative candidates to adopt every means whereby the roads of this county will be repaired and new thoroughfares constructed. We recognize that good roads mean that hundreds of tourists will pass through our county, and within the next few years thousands of motor driven machines will cross the continent. It is within the power of southern Nevada to provide a feasible route for the travelers, and we pledge all our candidates to secure the enactment of a proper measure that will insure the construction of a

transcontinental route through Nye county.

### Primary Election Law

We pledge our legislative candidates to the enactment of sweeping amendments to the present primary law, which in its self is nothing short of farcical. We favor such amendments that will prohibit voters from flocking from one standard to another without a declaration of their political faith. We believe in the sanctity of the ballot and urge that secrecy be continued, but are opposed to the present construction of the primary law that allows fraud being perpetrated.

### Free Text Books

We pledge our legislative candidates to labor for the passage of a measure providing for the furnishing of free text books by the state to the pupils attending our public schools.

## Climate Failed; Medicine Effective

It has been absolutely shown that rest, fresh air and good food do help many persons suffering from Tuberculosis. But it must be admitted that the disease is seldom more than "arrested." Something more is needed.

Eckman's Alternative is a medicine made for the treatment of Tuberculosis. It has conquered this disease again and again. Often these benefits have been effected where the surroundings were not ideal—yet recoveries resulted. Now we argue that Eckman's Alternative should be used in every case of Tuberculosis, in addition to good, nourishing food and fresh air, which we all need. A remarkable case follows:

Weldon, Ill.

"Gentlemen: Through Eckman's alternative I have been saved from a premature grave. On December 14, 1904, I was taken with Typhoid Pneumonia. My lungs became very much affected; my sputum was examined and Tuberculosis Bacilli were found. On February 21, 1905, I was advised to go to Fort Worth, Texas. While there an abscess in my right lung broke and discharged. I grew worse, and became much emaciated. My physician informed me that I must go to Colorado as quickly as possible. I left Texas, June 1 and arrived in Canon City, June 3, very feeble. After being there two weeks, my physician informed me that my case was hopeless. Three weeks later I returned home, weighing 103 pounds, the doctor having given me no assurance of reaching their alive.

"On July 14, 1905, I began taking Eckman's wonderful remedy for Consumption. Today I weigh 158 pounds. I am stout and well and can do any kind of work about my grain elevator. I have not an ache nor pain in my lungs, eat well, sleep well, and never felt better."

(Sworn affidavit) ARTHUR WEBB. Eckman's Alternative is effective in Bronchitis, Asthma, Hay Fever, Throat and Lung Troubles, and in rebuilding the system. Does not contain poisons, opiates or habit-forming drugs. For sale by all druggists. Ask for booklet telling of recoveries and write to Eckman Laboratory, Philadelphia, Pa., for additional evidence.

### CRUSADE AGAINST MOTHS

WASHINGTON, Oct. 31.—Various interests are represented today at a hearing before the federal horticultural board on a proposed crusade against the gypsy brown-tail moths, which have caused immense loss in New England. ## ---how much Is A "Regular Customer" Worth to Your Store?

Suppose you could BUY 100 additional REGULAR CUSTOMERS during the next week or two—customers who, for years and years to come, would make a MAJORITY of their purchases of goods in your line at YOUR STORE?

What would each of these 100 customers be WORTH to you?

It is, we think, quite likely that if such an investment were possible, you'd eagerly pay TWICE AS MUCH as it would cost you to secure these 100 REGULAR CUSTOMERS through an advertising campaign big enough and aggressive enough to really make people ACQUAINTED with your store!

## Col. Roosevelt Received \$1 A Word For His African Hunting Stories

That was a high rate to pay even a very distinguished author. But—to a limited extent—you may earn a higher rate of compensation than that for your own writing.

If, for example, you write a 10-word "situation wanted" ad for the Bonanza, and it finds you a position paying \$500 a year more than you've been earning—how much "per word" have you earned as an "author?"

Or, suppose that a 10-word "help wanted" ad would secure an employee for you, whose services would be worth twice as much as you'll pay in salary or wages, wouldn't "writing" of that sort stamp you as a high-priced author?

In writing ads that will sell your real estate to the right buyers—or any property which you want to sell to the people to whom it will be worth most—you may earn, with your pen, a far higher rate than \$1 per word.
